**07566854732**

*at|Designed Ltd. has been founded by Andy Tropia and is formed from the amalgamation of personnel with of over 50 years experience in delivering successful projects in the construction industry. Our reputation was built on performance, trust and, most importantly, creativity. We love what we do and are constantly looking for new sources of inspiration. Our clients trust us with their projects and know that our team of experts will be there with them every step of the way. In a 21st century marketplace, we realise that building beautiful solutions isn't enough. That's why our studio will make sure that the projects we help create and deliver are affordable and results driven.*
