AWARD WINNING PERFORMING ARTS

Fees for classes from Autumn Term 2026*

Fees listed below are based on a <u>10-week term</u> (Some terms are longer/shorter, and fees are pro rata)

Value for Money - Unlike many performing arts schools, we do not charge per class*. Instead, our fee structure is designed to reward commitment – the more classes a student attends, the lower the average cost per class.

<u>Example 1</u>
3 x 30-minute classes per week (90 minutes total) = **£215 per term** If charged individually, these classes would cost **£294**
Equivalent cost: just **£7.16 per 30-minute class**

<u>Example 2</u>
4 x 30-minute classes per week (120 minutes total) = **£268 per term** If charged individually, these classes would cost **£392**
Equivalent cost: just **£6.70 per 30-minute class**

As your weekly training increases, the average cost per lesson decreases, providing exceptional value while giving students more opportunities to develop their skills and confidence.

* Some classes operate at a special rate. Please see details below. **Sibling discount:** 5% off all classes. **VAT included.**
